**MONEY  
FROM THE BOTTOM TO THE  
TOP HAS GOT TO  
STOP**

- The top 1% of the population has more wealth than the other 90%

**THIS RESULTS IN**

**NO  
DEMOCRACY**

**PERPETUAL  
WARS**

**BYEBYE TO  
LIVING  
STANDARDS**

**Our Voices Don't Matter Anymore  
This Opens the Doors to DYSTOPIA**

# EXAMPLES OF THIS AT PLAY

---

1. Destruction of nature / Microplastics in our Brains
2. Abandonment of Older Generations
3. Working and Middle Classes? Crushed!
4. Spiralling debts / Digital IDs / Serfdom
5. Wars, genocides, end of Human Rights
6. Destruction of Public Health

Survival of the Richest

- The elites are seeking world domination
- Dictatorships rising everywhere
- Silicon Valley, Banking, Corporate World = Billionaire's Class
- Wars: Europe, Middle East, Africa, East Asia
- Digital ID, Cashless Society, AI, Social Credit Score
- Last but not least: Climate Change and Pollution Everywhere

## A MESS

A few simple actions, taken by millions of people, would change this trend:

1. Join Political Parties and Local Associations
2. Buy from Small and Medium Businesses / Avoid Big Corporate
3. Ethical Banking and Investments
4. **Use Alternative Technologies / Decentralise Systems and Information**

# WHY MOVE AWAY FROM BIG TECH

---

1. Understand that are different browser
2. Use a different search engine + Add as default
3. Create a new email address
4. Alternatives to Google Docs, Sheets
5. Experiment! Alternatives Exist - Selfh.st (Cloud Propaganda!)

**But I  
have  
nothing  
to hide!**

We have all been used to the idea that Gmail, HotMail, Yahoo, AOL and so on are the only e-mail providers....

But:

- Where are the servers?
- Who controls them?
- How comfortable you are for all your contacts to be accessible?

# EMAILS....SO MANY ALTERNATIVES!

# ALTERNATIVE TO GOOGLE DRIVE, DOCS

---

METANOIA

Google has taken over our lives: Gmail, Drive, Docs, Sheets, Calendar.

There are free and valid alternative for everything and again, better to differentiate where our information goes!

- **Zoho Writer** → India (Document editing, part of Zoho suite, encryption options, cloud-based)
- **Lark Suite** → China (Document editing, team collaboration, integrated with chat, calendar, and video calls)
- **OnlyOffice** → Latvia (Document, spreadsheet, presentation editing, self-hosting options, open-source)
- **Etherpad** → Global (Open-source, real-time collaborative editing, self-hosted)
- **CryptPad** → France (Encrypted document editing, collaborative tools, open-source, self-hosting option)
- **Coda** → India (Collaborative document editing, customizable workspaces, integrations)

# ACTION TIME

- Not only switch to alternative
- Switch to OPEN-SOURCE: if trust goes, you can migrate
- You can self-Host and OWN your data
